October 16, 2020

Dear Friends and Family,

All of us at St. Joseph's Home hope you are well during this very long pandemic. Every year we host our annual Christmas Craft and Bake Sale in our beautifully decorated Auditorium. However, for the health and safety of you, our Residents, Sisters and staff, we have decided to hold our first-ever "Mail-In" Christmas and Craft Bake Sale!

Enclosed you will find pictures of the items we are selling, all hand-made and home-made as in years past, along with an order form. You now have the opportunity to shop in the comfort of your home while supporting the mission of the Little Sisters to provide care to our elderly poor.

Please return the order form, along with your payment by check (payable to Little Sisters of the Poor) or credit card by Wednesday, November 11, 2020. We will be scheduling pick-ups of your purchases, the weekend of November 21 and 22. You will be contacted with a mutually convenient pickup time. Please remember to include your phone number.

Thank you for your continuing support of our Home and our Residents throughout the year. We pray for you each day and ask that you remember us, our Residents, Sisters, and our staff in your prayers.

God Bless You!

Sincerely,

Sr. Mary Thomas ISP
