June 17, 2022

Dear Residents, Families and Friends,

Just a brief update:

The Home received notification last evening of a staff member on the nursing unit who tested positive. The employee was tested and diagnosed outside of the Home. As usual, the employee is not working again until they test negative. As a precaution, the Residents on the unit and all staff members are tested.

Like you, we long for the day when this pandemic will finally be a thing of the past, but we remain resolved to do whatever is necessary to provide the best care possible to those who bless us with the opportunity to serve them.

On a happier note, we will be celebrating Father's Day Sunday with a special noon meal as well as wishing all fathers a very happy and blessed day. Sunday is also Corpus Christi Sunday, a very special day celebrating the Eucharist. As you know, Pope Francis has proclaimed this year, the Year of the Eucharist and all here at the Home are grateful to be able to celebrate this holy sacrament on a daily basis.

We continue to pray for you, your family members and all those who need solace and comfort during these difficult days.

God Bless you always

Mother Mary Thomas, Isp
