Dear Residents, Families and Friends,

Greetings on another beautiful, sunny Thursday. I hope you are staying cool during these hot days of summer.

As you are well aware, the positivity rate in New Jersey continues to remain high. Consequently, during our weekly testing we have had three breakthrough cases of Covid-19 among our Staff. These employees have mild symptoms and are quarantining at home. We pray for their speedy recovery.

Out of an abundance of caution, our Residential Residents are having their meals in their rooms and following Mass via closed circuit TV until we have two consecutive rounds of Covid-19 re-testing all negative among Residents, Staff and Sisters.

We appreciate everyone's assistance in adhering to the strictest infection control protocols and screening. Although the mask mandate in the NJ has been reduced, it unfortunately does not apply to health care facilities. We kindly ask for your cooperation in respecting our in-house mandate to wear a facemask at all times throughout the duration of your visit. Without a doubt, you know of or have experienced first-hand the effects of the coronavirus and we wish to keep our Residents as safe as possible.

We are so grateful for the support of your prayers. God will help us through these challenging times.

Sincerely,

Mother Mary Thomas, Isp
