July 7, 2022

Dear Residents, Families and Friends,

Thank you for your patience and cooperation over the past weeks. As you may have heard, Passaic County has seen a rise in COVID-19 positive cases. We continue to monitor these trends and recommend that when visiting, you continue to:

- Wear masks properly when in the common areas of our Home (*no cloth masks*)
- Utilize the hand sanitizing stations we have located throughout the Home
- Practice physical distancing of six feet

During this week's testing, three Residents tested positive and are currently quarantined. One staff member tested positive outside the Home. We will continue twice a week testing until further notice.

We appreciate your continued understanding and assistance in keeping our Home safe by following our screening protocol when entering our Home.

Our Residents were able to have an enjoyable 4th of July celebration, with a special meal. We continue to have daily Mass and it is broadcast on our internal TV station for those that cannot attend in person. Appropriate activities are planned for the month so that everyone is kept entertained and engaged.

Praise God with me as we see firsthand the dedicated staff who are working tirelessly to bring peace and comfort to our Residents during this situation. We will keep you updated on our status.

God bless you and stay safe while enjoying the summer

Sincerely,

Mother Mary Thomas, Isp
