June 30, 2022

Dear Residents, Families and Friends,

I hope this finds you well and enjoying these summer days. I'm sorry to have to let you know that we have a positive case of the coronavirus among our Residents from this week's round of testing. This new case means that we will need to continue weekly testing of Residents, Sisters and staff.

As we know from the news and from our neighborhoods, we still need to be on our guard and take precautions. Please be assured, that we diligently continue to follow all the guidelines of the CDC, CMS and NJDOH with social distancing, wearing of masks, hand sanitizing and washing, temperature checking and cleaning surfaces.

On behalf of all of us at St. Joseph's Home, I want to wish you a very Happy and Healthy 4th of July! May God watch over all of us during this time of celebration and we earnestly pray for speedy end to this pandemic.

God Bless you always

Mother Mary Thomas, lsp
