August 4, 2022

Dear Residents, Families and Friends,

We hope that you and your loved ones continue to be COVID free and doing well.

Midpoint of summer officially occurs on August 7, 2022, meaning summer will very soon be half over. Please take some time to visit with your loved one and spend some relaxing time outdoors with them.

This week's testing of Residents, Sisters and staff revealed one breakthrough infection of a staff member. We will be testing staff and Residents for the next two weeks who were in contact with the staff member. Please do not let this deter you from visiting your loved one. Nothing brightens their spirit than seeing your face and hearing your voice.

We continue to stay cautious when dealing with all things Covid-related and remain optimistic, but vigilant. The Little Sisters continue to follow the regulations outlined by the Centers for Disease Control, the Centers for Medicare and Medicaid Services and the New Jersey Department of Health. We look forward to the day when the coronavirus becomes a memory. Until that time, we will continue to provide the greatest care to our beloved Residents.

The Little Sisters continue to pray for you and your families and ask that you remember us in your prayers.

Sincerely,

Mother Mary Thomas, Isp
