November 11, 2022

Dear Residents, Families and Friends,

I hope you have enjoyed the warm weather we have had this past week. Today, autumn has re-visited us, so take time to admire all the beauties that God has placed around us!

Today on Veteran's Day, we celebrated our Residents who are Veterans with a special certificate donated by Commander Carl Crawford of our Maintenance Department.

We are delighted that Mother Provincial Alice Marie from the Brooklyn Province arrived at our Home and will be here for several days. She will spend time visiting our Residents and staff.

On Saturday, November 19, we will hold our Annual Craft and Bake Sale in the Auditorium from 10 am to 4 pm. Also on that day, we will be accepting donations of turkeys and hams for our Residents to enjoy for the holidays. All visitors must enter through the outside Auditorium door located by the ramps and all must wear masks when in the building.

Unfortunately, one staff member has tested positive with Covid-19 during this week's testing. Residents and staff who had close contact with the staff member were tested in accordance with regulatory requirements and thankfully, they were all negative. With the arrival of the colder weather, Covid viruses, flu and the common cold, please remember all visitors must wear masks (no cloth masks) at all times when in the home, should adhere to the 6' social distancing rule, and practice frequent handwashing.

God bless you and watch over you all.

Sincerely,

Mother Mary Thomas, lsp
