January 6, 2023

Dear Residents, Families and Friends,

Happy New Year! We hope you had a wonderful holiday season! Here at St. Joseph's Home we were able to have a beautiful holiday despite the reappearance of COVID in the house.

I'd like to provide a quick update concerning our testing for Covid-19. This week three employees tested positive and are quarantining at home. Thankfully, Resident tests were negative.

As a reminder, Individuals are encouraged to be vaccinated and boosted if eligible, remain at least 6 feet from others whenever possible, wash or sanitize their hands and wear proper face coverings to reduce the likelihood of disease transmission. We continue to educate Residents, staff and visitors on the importance of the COVID-19 vaccine and the booster(s) in order to protect themselves. Please continue to pray for an end to the virus and peace all around the world!

I will be away on a family visit to India for several weeks. I know that the Sisters and staff will continue to provide care and love to our Residents in my absence. If you have any questions or concerns, please contact Sr. Veronica.

Once again, I wish you a Happy New Year full of God's blessings!

Mother Mary Thomas, lsp
