February 9, 2023

Dear Residents, Families and Friends,

I hope you have enjoyed the warm weather, today, autumn has re-visited us, so take time to admire all the beauties that God has placed around us

We are very grateful that the results of this week's COVID testing were negative for all the Residents and Little Sisters, but, unfortunately, another staff member has tested positive. The staff member who tested positive had no direct caregiving responsibilities and so because of this, your loved ones are not impacted at this time.

Plans are underway for some Super Bowl Sunday events and special Valentine's Day activities and meal for all our Residents. In addition, our jewelry sale is underway in the Lobby. It looks to be a very fun few days for all!

As we prepare for the upcoming Lenten Season, let us remember to continue to pray for one another, especially all those who are suffering around the world because of conflict and natural disasters.

Many blessings,

Mother Mary Thomas, lsp
