Dear Residents, Families and Friends,

We hope everyone is staying healthy and safe.

We had a surprise this week when eight of our Residents tested positive. They are having mild symptoms and isolating in their rooms. Because of our eight new cases we are considered in "outbreak".

We continue to follow infection control recommendations by the CDC, State, and local department of health agencies. The frontline staff are so brave as they continue to work day in and day out to serve our Residents here at the Home. Please keep them all in prayer as we continue to pray for their continued strength and courage as we continue to battle the virus.

The Lenten Season will begin with Fr. Sean distributing ashes to all Residents on Ash Wednesday. During Lent, we will have Stations of the Cross each Friday at 4:30pm.

Please continue to remain vigilant in the fight against COVID. As we've witnessed here, it can and will strike anyone any time and it is up to us do our part to help eradicate it if possible.

Many blessings,

Mother Mary Thomas, lsp
