February 24, 2023

Dear Residents, Families and Friends,

We hope all our family and friends are doing well and staying safe in the community.

Please be advised during this week's testing eight Residents have tested positive for Covid-19, and are in isolation. In addition, two staff member tested positive. We will continue routine testing and monitoring of staff and Residents for signs and symptoms of Covid-19.

When visiting the Home, we want you to understand that by entering St. Joseph's Home for the Elderly, we ask everyone to follow the guidelines, most importantly the wearing of a mask, proper handwashing and maintaining the 6 feet distance separation.

As we embark on this Lenten Season of fasting and feasting, let us fast from pessimism and feast on hope. Hope that we can soon move forward to truly enjoying each other's company without the fear of Covid-19 negatively affecting our lives and daily activities.

We thank you for your patience and understanding as we navigate through this surge. We remain optimistic, but vigilant in our policies and procedures in protecting our Residents, Staff, and Visitors.

Wishing you all a blessed Lenten Season,

Sincerely,

Mother Mary Thomas, lsp
